OBJECTIVES AND INVESTMENT POLICY

Investment Objective

The Alpha UCITS SICAV - J. Stern & Co. World Stars Global Equity Fund (the "Sub-Fund") is managed by J.Stern & Co. LLP (the "Investment Manager"). The Sub-Fund's objective is to achieve capital growth over the long term by investing in shares of global companies.

Investment Policy

The Sub-Fund seeks to achieve the Investment Objective by investing in a concentrated selection of shares in leading global companies with enduring competitive advantages and a long runway of growth.

The Sub-Fund will invest in companies which have a sustainable competitive advantage, they must operate in a sustainable way with prices that allow for the prospect of significant capital growth over 5-10 years or more.

The Investment Manager's research process for every company integrates a traditional financial analysis with a separate environmental, social and governance framework (the "ESG Framework").

The intention of the Investment Manager is to remain substantially invested in the Investment Strategy, subject to holding some liquid assets which may be provided through investor subscriptions or when a position has been sold and a new position is yet to be acquired or may be required for investor redemptions, to pay expenses and to deal with differences in settlement periods. Such liquid assets will be held in cash, cash equivalent investments and in government and investment grade corporate bonds. The Sub-

Fund will not take short positions, will not use leverage for the purpose of investing and will not hedge markets.

The companies will be predominately based and listed in developed markets. However, the Sub-Fund may invest in shares of companies based and listed in emerging markets that meet the principles of quality and value in the Investment Strategy. These investments will not to exceed 15% of the assets of the Sub-Fund.

The Investment Manager seeks to promote environmental and social characteristics within the meaning of Article 8 SFDR.

RISK AND REWARD PROFILE

Risk Disclaimer

The risk and reward indicator illustrates where the Sub-Fund is positioned in terms of its possible risk and reward. The higher the Sub-Fund's position on this scale, the greater the possible reward, but also the greater the risk of losing money. Even if the Sub-Fund is in the lowest risk class you can lose money as no investments are entirely risk free. The risk indicator is calculated using historical data and therefore cannot be used as a prediction for the future. The risk classification may change over time.

Why is this Sub-Fund in this category?

The Fund is subject to a high level of risk being linked to typical risks of equity markets, such as macro-economic trends. At this time, the level of risk and reward profile is equal to 6.

Not all risks affecting the Fund are adequately captured by the synthetic risk indicator. The following risks may affect the Fund:

Operational risk - That may occur due to technical issues for example natural disasters and fraud.

Currency risk - When the Sub-Fund invests in assets denominated in a different currency. A devaluation of the asset's currency relative to the currency of the Sub-Fund will lead to a reduction in the value of the Sub-Fund.

Full details of all risks the Sub-Fund is exposed to are provided in the Prospectus.
